TATLA LAKE
CROSS-COUNTRY SKI TRAILS

Welcome to Tatla Lake Cross Country Ski Trails

The Tatla Lake Cross Country Ski Trails are situated within the T'silhquot'in (pronounced "Sill-ko-teen") Nation traditional territory. Members of the Tsilhqot'in Nation include the following bands: Xeni Gwet'in, Tsi Del Del, Yunesit'in, ?Esdilagh, Tl'etinqox and Tl'esqox. Tsilhqot'in heritage is distinct. "We honour our ?esggidam (ancestors), the land, and each other when we celebrate our unique culture, language, territory and history."

The Tatla Lake Ski Trails are located just a few minutes outside the community of Tatla Lake in a scenic, wilderness setting adjacent to Martin Lake. There are 35 km of set tracks, including 12 km of dog-friendly trails.

Snowshoeing is possible throughout the area, although not along the set ski tracks.

The trails are managed by Recreation Sites and Trails BC in partnership with the Tatla Lake Ski Club, whose volunteers carry out tracksetting and trail maintenance activities. This trail system has been in continuous use since 1985 and was legally established as public recreation trails by the Province of BC on January 31st, 1998.

SKIER'S RESPONSIBILITY CODE

BE AWARE
SKI & GLIDE WITH CARE

There are elements of risk in cross-country skiing that common sense and personal awareness can help reduce. Regardless of how you decide to use the trails, always show courtesy to others. Please adhere to the code listed below and share with others the responsibility for a safe outdoor experience.

- Always check posted trail conditions.
- Ski in indicated direction and observe all signs. Keep off closed trails.
- Ski to the right when passing or skiing a double track.
- Ski in control. Descending skiers always have the right of way.
- Don't litter! Pack it in and pack it out. Respect private property.
- Don't obstruct the trail. Move off the track if you fall or while taking a break.
- Yield the track to faster skiers or skiers calling, "track", by stepping off to the right.

- Easy: Designed for skiers with little experience or limited ability
- More Difficult: suitable for skiers with a moderate amount of experience and ability
- Most Difficult: designed for skiers with considerable experience and ability
