KVR TRAIL Bridge Closures

Forests, Lands, Natural Resource Operations and Rural Development (FLNRORD) has downgraded two bridges **7 km and 12.5 km north of Tulameen**, based on an engineered review of the structures.

As a result, Recreation Sites and Trails BC (RSTBC) must close the structures to all traffic effective January 21, 2020.

RSTBC in partnership with Regional District of Okanagan-Similkameen (RDOS) is assessing options for these structures.

For further information, please contact Justin Shuttleworth, RDOS Parks/Facilities Coordinator: (250) 492-0237 or info@rdos.bc.ca.
