## **PARTIAL CLOSURE OF RECREATION TRAILS – Kamloops District**

Pursuant to section 20(3) of the *Forest Recreation Regulation*, I am establishing a rule for the following recreation trails.

- REC4700 LOGAN LAKE RECREATION TRAILS
- REC203411 LOGAN LAKE SNOWSHOE TRAILS

A partial trail closure for the Logan Lake Recreation and Snowshoe Trails, as per the attached map. The trails marked as “closed” to the public, shall not be occupied or used until further notice. The trails marked as “open” shall be used by the public for non-motorized winter activities.

This partial closure is implemented because of the risk to human health and safety.

Updates on recreation sites/trails can be found at <http://www.sitesandtrailsbc.ca>.
